

BACKACHE

"I wrote you for advice," writes Lelia Hagood, of Sylvia, Tenn., "about my terrible backache and monthly pains in my abdomen and shoulders. I had suffered this way nine years and five doctors had failed to relieve me. On your advice I took Wine of Cardui, which at once relieved my pains and now I am entirely cured. I am sure that Cardui saved my life."

It is a safe and reliable remedy for all female diseases, such as periodical pains, irregularity, dragging down sensations, headache, dizziness, backache, etc.

Cut Her Throat for Relief.

Fearing she was choking to death in an asthmatic attack, Mrs. Eliza Pendleberry, eighty-one years old, of Philadelphia, gashed her throat with a razor yesterday morning in an attempt to get her breath, and lies in a serious condition at the West Philadelphia Homeopathic Hospital. Mrs. Pendleberry, who resides with her son James, has been for years a sufferer from asthma, and of late she has been dependent over her ailment. About ten o'clock yesterday morning, while she was in the bath room of her home, and unable to summon assistance, she grasped her son's razor, lying on a shelf nearby, and cut her windpipe. The heroic measure had immediate effect, for she was able to call for help. With blood pouring from her neck, she was removed to the hospital. There it is said small hope is entertained for her recovery, owing to the loss of blood and the danger from pneumonia.

Health in Canal Zone.

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained, however, by the fear of fever and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarial influence with Electric Bitters on hand. Cures blood poison, too, biliousness, weakness, and all stomach, liver and kidney troubles. Guaranteed by E. S. Leadbeater & Sons, druggists 50c.

A Mother's Terrible Deed.

Mrs. James Hemphill, wife of a prominent manufacturer, of Akron, Ohio, became insane suddenly yesterday afternoon and hanged her nine-year-old daughter Helen to a bed post. After the child was dead she took the body down and hid it in a clothes box. When her husband returned home in the evening he found her hanging to the same bed post with a rope around her neck. He cut the rope and saved her life. As soon as she was able to speak Mrs. Hemphill told her husband what she had done, saying that Helen was better off in heaven. Mrs. Hemphill was a prominent social woman and a great church worker. She had never shown any signs of insanity up to the time she took her child's life, but was of a nervous temperament. Doctors say that insane love for her daughter prompted the deed.

Many sufferers from nasal catarrh say they get splendid results by using an atomizer. For their benefit we prepare Ely's Liquid Cream Balm. Except that it is liquid it is in all respects like the healing, helpful, pain-relieving Cream Balm that the public has been familiar with for years. No cocaine nor other dangerous drug in it. The soothing spray relieves at once and cure is certain. All druggists, 75c, including spraying tube, or mailed by Ely Bros., 56 Warren Street, New York.

Victory for Standard Oil.

London, March 28.—The Standard Oil Company has just won an important victory over European competitors in the oil field according to the Pall Mall Gazette, and forced the combination formed by a huge group of German, Roumanian, Russian, Dutch, and British capitalists, to come to an agreement with it practically on its own terms. The recent agreement between the American trust and the European syndicate is to take effect on Monday. The Standard Oil trust, the Gazette asserts, through the agreement ensures control of many important oil tank installations in Amsterdam, Antwerp, and Rotterdam. This is the third time the Standard has triumphed over European competitors.

The News—No Para Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure—is and has been for 20 years. The National Law now requires that if any poison enter into a cough mixture, it must be printed on the label or package.

For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's label. In the medicine, the use must be by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by E. S. Leadbeater & Sons, druggists.

Girls in a Panic.

Philadelphia, March 28.—Two hundred girls employed in a big textile mill at Howard and Berks streets, were thrown into panic today when fire broke out in the structure. Firemen had apparently subdued the flames, which originated on the second floor, and the operatives were preparing to resume work when the blaze broke out afresh, driving the girls in terror to the fire escapes. Firemen and male workers took the young women out, many of them having fainted. The building which extends over almost a whole block, was destroyed. It was occupied by J. Wesley Johnson and the Coulson Manufacturing Company.

It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhea. It is pleasant to the taste. Sold by druggists in every part of the world.
